# EDMARK TUAZON

FRONT-END DEVELOPER

---

## SUMMARY

Hi, I'm Edmark Tuazon, a self-taught Frontend Developer with more than a year of experience in Frontend Web Development, I'm based in the Province of Cavite, Philippines, I can do stuffs about Frontend such as converting UI/UX Design into latest Frontend Technologies, editing existing Websites, maintaining Websites of my clients, and also minimal working with database (Formspree and PHP MySQL).

I 'am actively learning about Latest Technologies especially in Frontend, and I'm always looking for new opportunities to learn and grow.
